PROPOSITION 83

YES on 83 REBUTTAL TO NO ARGUMENT

Don't be fooled by the false arguments the group of lawyers against Proposition 83 is making. They represent criminal defense attorneys who make their living defending criminals. Of course they don't want tougher laws!

Let's consider the FACTS:

- EVERY major POLICE , SHERIFF and DISTRICT ATTORNEY organization in California strongly supports Jessica's Law.
- EVERY major CRIME VICTIM organization in California strongly supports Jessica's Law.
- Thousands of dangerous sexual predators are living in our communities and neighborhoods and police do not have the tools they need to track them down.
- Jessica's Law will KEEP TRACK OF FELONY SEX OFFENDERS after their release from prison by requiring them to wear a GPS tracking device at all times.

PROPOSITION 83

- Jessica's Law will STOP dangerous sex offenders from living near schools and parks where they can stalk and prey on our children.

Your YES vote on Proposition 83 - Jessica's Law - will give law enforcement the tools they need to stop sexual predators before they strike again.

The man who confessed to murdering nine year-old Jessica Lunsford was a convicted sex offender who failed to register with local police. He took Jessica from her bedroom window, assaulted her for three days and buried her alive only a few doors from her home.

GPS MONITORING COULD HAVE SAVED JESSICA'S LIFE!

Tragically, it's too late to save Jessica Lunsford. But it's not too late to prevent countless other children from being attacked and murdered by sexual predators.

Vote YES on 83 – Jessica's Law.
